

2021 TRANSITION WORKSHOP

Roadmaps for resilient decarbonizing cities

Geneva, June 1st – July 23rd 2021

**APPREHEND THE
ECOLOGICAL TRANSITION**
in situ, within an
interdisciplinary workframe

**DESIGN WITH EXPERTS
AND STAKEHOLDERS**
for sustainable communities

**JOIN OUR
COLLABORATIVE
PLATFORM** to boost
your local initiatives

The Fondation Brillard Architectes and its partners launch the second edition of the Transition Workshop in Geneva - Switzerland, the world's leading hub for climate change experts and home to major international organizations.

THE PROGRAM OFFERS

- **to Master's students:** a concise introduction to the issues and dimensions of ecological transition by design.
- **to Ph.D. students:** a cross-disciplinary overview to data and tools for the analysis of climate emergencies in the built environment.
- **to professionals:** new tools for the design of the ecological transition at all scales.
- **to city officials:** prospective and evaluations toolkits for zero carbon cities.
- **8 ECTS** will be granted for students and professionals in continuing education.

AGENDA

- **April 15th:** deadline applications
- **May 4th:** announce of selected candidates
- **June 1st to July 9th:** courses and seminars*
- **July 12th to 23rd:** on-site workshop**
